

Ixcán Creations jewelry and textiles are hand crafted by the Maya women of Santiago Ixcán in the Ixcán jungle in northwest Guatemala.

Our artisans range from 17 to 70 years of age. Proceeds from the sales of Ixcán Creations product go directly to the artisan.

Every purchase makes a real difference in the lives of women who struggle daily to support themselves and their families.

Ixcán Creations is an economic development project of *Ixcán Ministries* to empower and support women from Guatemala.
